Education

Carleton University (Co-op Option)

Sep. 2022 – May 2027

B.Eng - Software Engineering, CGPA : 11.57/12 (3.9/4.0)

Ottawa, Ontario

Projects

Personal Portfolio Website | *Html, Css, Javascript*

August 2023

- Designed and developed responsive website with HTML and CSS. Employed JavaScript to add interactivity and user engagement
- Crafted informative "About" section, providing insight into background and education
- Included links to social media profiles, and provided contact methods for easy access to communication

Data Visualization Tool | *Python, NumPy/Matplotlib*

April 2023

- Was the team-lead of a group of students that developed a Python-based data visualization tool with user-input data manipulation capabilities
- Implemented sortable displays using bubble sort, selection sort, and insertion sort algorithms, resulting in efficient and accurately sorted data that could then be displayed through table-arrangements, graphs, or both
- Validated the tool's functionality through rigorous unit testing, ensuring reliable results in both table-like presentations and graphical representations, enhancing data analysis and presentation capabilities

Currency Converter | *Html, Css, javascript*

September 2023

- Created an efficient currency conversion solution by employing HTML, CSS, and JavaScript, offering a user-friendly interface and seamless functionality for accurate real-time exchange rate calculations.
- Implemented a user-customizable currency preference feature, allowing users to set their preferred base currency and target currency pairs, resulting in a more personalized and user-centric currency conversion experience
- Utilized API integration to fetch real-time exchange rate data, ensuring accuracy and up-to-date currency conversions

Experience

American Eagle Outfitters

July 2022 – Present

Sales Associate

Ottawa, Ontario

- Executed tasks related to product knowledge and inventory management to allow for improved structuring and arrangement of selling items
- Provided high-level customer service, which aided in the increase of sales and improved customer satisfaction

Remedy's Rx Pharmacy
